The UCLA Frank Clark Urology Center, The Department of Urology, and The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA

UCLA State-of-the-Art Urology

March 7-10, 2013

The Ritz-Carlton Marina del Rey, California
This course explores the most challenging management problems facing the practicing urologist. Distinguished faculty present current information and techniques in female urology, reconstructive surgery, overactive bladder, incontinence, management of renal stones, endourology, laparoscopy and robotics, urologic oncology (including kidney, prostate, bladder, and ablative focal therapies), medical therapy for BPH, interstitial cystitis, prostatitis, and pediatric urology. The conference emphasizes interaction between participants and faculty and allows ample time for case presentations and group discussions, ensuring an outstanding educational experience for attendees. The goal of the conference is to provide attendees with new information that they can directly apply to their clinical urology practices.

AT THE COMPLETION of this program, participants should be better able to:
• Assess and correct various problems with incontinence, pelvic prolapse, voiding dysfunction, and bladder pain in the adult
• Manage prostate, kidney, and bladder cancer
• Understand the emerging role of focal ablative therapies for prostate cancer
• Evaluate and treat upper tract urinary calculi
• Assess and treat a variety of pediatric urologic conditions
• Understand the latest developments in the management of interstitial cystitis, prostatitis, BPH, and infertility

**Disclosure**

The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy now mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

The Department of Urology is a California Board of Nursing approved provider (#8888).

March is the ideal time of year to visit Southern California. Temperatures are usually in the mid 70s, and skies are sunny and clear. The Ritz-Carlton overlooks the world’s largest small craft harbor and offers spectacular coastline vistas from the balcony of every guestroom. Guests will enjoy two lighted tennis courts, a waterfront swimming pool and state-of-the-art fitness center/spa, as well as other amenities that give the Ritz-Carlton its uncompromising reputation.

Within walking distance of the hotel are a variety of restaurants, clubs, and shops, as well as biking paths, jogging trails and, of course, the Marina Beach. Close by are art galleries, popular restaurants, architectural showpieces, and the distinctive cultural scenes of Santa Monica and Venice Beach. Shopping in Beverly Hills, Century City, and Santa Monica’s 3rd Street Promenade is close by. The Los Angeles area offers a variety of vacation entertainment for both adults and children. Disneyland, Knott’s Berry Farm, Six Flags Magic Mountain, and Universal Studios are just a few of the attractions that help make a visit to Southern California a memorable experience.

**Accommodations**

A block of rooms has been reserved at the Ritz-Carlton for conference participants at a special conference rate of $270.00 plus tax per night for single/double occupancy. One night’s deposit is required to guarantee late arrival (after 5 pm). Confirmation of reservations received after February 5, 2013 is subject to availability.
